

Beltdraulic™ Railgate 5500/6600

www.allelectricliftgate.com

Capacity 5,500/6,600 lb.

FEATURE	Hydraulic Railgate	Beltdraulic™ Railgate
Time to install	30 hours	5 hours
Smart trailer integration	Available	Included
Tractor connection	Required	Not required with solar option
Bolt-on installation	Additional cost	Included
Liftgate charger	Additional cost	Included

Simplified Wiring

- **No High-Current Wiring:** Eliminates the need for dual pole cables.
- **Solar Option:** Eliminates connection to tractor's power supply.

Quick Installation

- **Reduced Installation Time:** From 30 hours to as little as 5 hours.
- **Bolt-On Installation:** Simplifies the process; no complex welding required.

Easy Setup

- **No Hydraulic Fluids:** Removes the need for fluid filling and hose hook up.
- **No Hoses or Pumps:** Fewer components to install.
